Our Syndicates and their Names

At Manaia View School our Living the Dream behaviour programme is interwoven into all aspects of our school day. Our values play a critical role in supporting teaching and learning expectations. This naturally carries over into our syndicates.

Our syndicate names are linked to our mountain - Mount Manaia, and symbolize our learning journey at Manaia View School.

Pararahi

- base of the mountain
Our most junior classes make up this syndicate which includes the students in Room 5, 9, 10 and 11. Our junior immersion class is included in this group.

Matapari

- cliff face
The students in Years 3 and 4 form this syndicate group covering Room 1, and 2.

Pae maunga

- mountain ridge
Our middle school syndicate which is made up of Y5 and 6 students includes R3, 4 and 6. Our older immersion student class forms part of this team.

Tihirau

- mountain peaks
This is the name of our senior team. Room 16 and 17 which is also known as our Leadership Centre, is the base for our Year 7 and 8 students.

The "mountain" creates a vision for our students to reach their potential. Our dream is for all our students to experience the "view from the top" and have the skills to achieve their dreams.
